# TS 35E

Keep your  
business moving

## Relax. You're there.

This TEMSA coach was designed to help you and your passengers get more from your journey. That's more comfort, safety and style along with a more satisfying ownership experience. It's time to sit back, relax and enjoy the scenery. There's an entire world out there, just waiting to be discovered.

## TEMSA - Smart Mobility

Being a smart choice for our customers is at the heart of everything we do. Our customers want to feel that their business matters. At TEMSA we understand what is important to our customers; and we build vehicles that give them reliability, quality, total cost of ownership and passenger experience that they need to maximize their revenues and profits. Thus, feeling good about the smart choice they made.

# TEMSA TS 35E - Setting the standard for mid-size motorcoaches

**SMOOTH AND COMFORTABLE** - This mid-size coach offers a luxurious and spacious interior for passengers and driver. Its integral construction ensures a smooth and stable ride while its tremendous maneuverability will help you access remote places.

**POWERFUL** - With an American Cummins-Allison driveline, the TS 35E provides raw power and optimum serviceability. These are combined with superb European quality and craftsmanship to create a high-quality driving experience.

**DURABLE** - The TS 35E is constructed from stainless steel for extra durability and safety. Stringently tested to ensure the highest standards, it leaves the competition far behind.

Ample luggage capacity
